Hey Mike

If there are requests for the Gold King Mine spill response, please send them to me. I will handle all those. Thanks

Kendra

Phil

I can pull training records for these four individuals tomorrow when I'm back in the office (working Flex today).

Good morning Kendra and Michael. We have four people that have volunteered to assist with the Gold King spill. They have reported to me that they are current on their training under our JHP. Below are records maintained in our branch on Bill Hurlbut. Please let me know if there are any training deficiencies indicated by your records on these four individuals. Thanks.

Bill,

Before I can send on your name for potential GKM deployment. I need to update your files. Currently, I show that you are out of date with your Hazwoper. Could you please send me your certificate of completion for this refresher course.

Thanks!
